QUALITY INSTRUMENTS. TRUSTED PERFORMANCE

***** ONE STOP SOLUTIONS FOR ALL LABS NEEDS *****

ABOUT US

YSP Scientific Solution is India's leading B2B marketplace for Medical Equipment and Supplies. Our customers include hospitals, doctors, clinics, medical professionals, and end users such as patients, etc. We serve our customers through both online and offline stores, mostly through internet and mobile technologies.

YSP Scientific Solution connects buyers with sellers with the help of internet technology. We empower medical equipment manufacturers, importers, and distributors by providing scalable, efficient, and profitable marketing tools.

With years of experience in operations, YSP Scientific Solution makes medical supplies easily available and accessible at a reasonable price. Now our customers are connected, informed, and have access to a huge medical supplies database.

In the last few years, YSP Scientific Solution has established itself as one of the leading medical equipment trading and distribution companies in India and international markets. Today, we supply to more than 40 countries, with over 1000+ products available online. We have served 4500+ customers and counting.

We supply all kinds of medical supplies and equipment from over 580 product categories like Homecare, ICU and critical care, operation theatre, diagnostic supplies, and accessories.

Furthermore, we have a strong service network to serve our valuable customers.

Our Mission

To provide quality and innovative medical equipment and supplies online to customers, enabling them to deliver the best patient care in the most efficient and cost-effective way

Our Vision

To make medical supplies easily available and accessible at a reasonable price.
